

Highly Weather-Resistant Cage/Cart Tag **MT-S-095**

Weather-Resistant, Flexible, and Easy-to-Install Tag

Easy Installation

Quick and easy attachment
with cable ties and mounting holes

Weather-Resistant and Water-Resistant

Made of weather-resistant materials
and rated IPX7 for versatile use in
any environment

▲ MT-S-095

Specifications

Product Name	MT-S-095
Read Range (m)	~11.5
Dimensions (mm)	90×110×1
Cover Material	Polyethylene Terephthalate
Tag Color	Yellow
Operating Temperature (°C)	-40~75
IC Chip	Impinj M730
EPC/USER (bit)	128/0
Water Resistance	IPX7

*Product appearance and specifications are subject to change for improvement without prior notice.

*The read range is an estimated value based on measurements taken using Voyantic Tagformance Lite and is not a guaranteed specification.

*Operating temperature and water resistance performance have been verified under our internal test conditions; however, these are not guaranteed values.

Applications

▲ Rack Trolleys

▲ Platform Cart

▲ Tree Growth Management

Important Safety Information

CAUTION

- This product is intended for use as a consumable item. Please note that we do not provide repair services.
- While the product is designed to withstand various environments, please ensure it is suitable for your specific operating conditions before use.
- Please ensure that you thoroughly review all precautions provided in the accompanying binder before use.

Warranty

As this product is classified as a consumable item, we do not offer warranty coverage for failures occurring after use. However, any unused defective product reported within one year of purchase will be replaced.
