

Cable-Tie-Mount Hard-Shell Tag **MT-TH1**

Hard-Shell Tag Easily Attached and Removed with Cable Ties

Easy Installation

Quick and simple attachment using cable ties

Weather-Resistant and Water-Resistant

Made of weather-resistant materials and rated IPX7 for versatile use in any environment

▲ MT-TH1

Specifications

Product Name	MT-TH1
Read Range (m)	~9
Dimensions (mm)	25×110×8.5
Cover Material	Weather-Resistant Polycarbonate
Tag Color	Dark Gray
Operating Temperature (°C)	-40~75
IC Chip	Impinj Monza R6-P
EPC/USER (bit)	128/32
Water Resistance	IPX7

*Product appearance and specifications are subject to change for improvement without prior notice.

*The read range is an estimated value based on measurements taken using Voyantic Tagformance Lite and is not a guaranteed specification.

*Operating temperature and water resistance performance have been verified under our internal test conditions; however, these are not guaranteed values.

Applications

▲ Metal Pallets

▲ Metal Racks

▲ Rack Trolleys

Important Safety Information

CAUTION

- This product is intended for use as a consumable item. Please note that we do not provide repair services.
- While the product is designed to withstand various environments, please ensure it is suitable for your specific operating conditions before use.
- Please ensure that you thoroughly review all precautions provided in the accompanying binder before use.

Warranty

As this product is classified as a consumable item, we do not offer warranty coverage for failures occurring after use. However, any unused defective product reported within one year of purchase will be replaced.
